## Government announcement – Business Loans pay back flexibility

The burden will be lifted on more than a million businesses who took out a Bounce Back Loan through a new Pay as You Grow flexible repayment system. This will provide flexibility for firms repaying a Bounce Back Loan.

This includes extending the length of the loan from six years to ten, which will cut monthly repayments by nearly half. Interest-only periods of up to six months and payment holidays will also be available to businesses. These measures will further protect jobs by helping businesses recover from the pandemic.

They also intend to give Coronavirus Business Interruption Loan Scheme lenders the ability to extend the length of loans from a maximum of six years to ten years if it will help businesses to repay the loan.

In addition, the Chancellor also announced he would be extending applications for the government's coronavirus loan schemes that are helping over a million businesses until the end of November. As a result, more businesses will now be able to benefit from the Coronavirus Business Interruption Loan Scheme, the Coronavirus Large Business Interruption Loan Scheme, the Bounce Back Loan Scheme and the Future Fund. This change aligns all the end dates of these schemes, ensuring that there is further support in place for those firms who need it.
